

Patterson Digital Radiography and Imaging Products

By Integration status for Patterson Eaglesoft V18 and above

Digital X-ray, Sensors

Integrated:

Schick: Schick WiFi, CDR Elite, CDR Phoenix, CDR Wireless, CDR Pluswire, Schick33

Planmeca: ProSensor, Dixi

Sirona: Xios, Xios Plus, SIDEXIS Intraoral Sensor

Air Techniques: Accent

Instrumentarium: Sigma, Snapshot

Progeny: VisionDX, Clearvision

Gendex: GXS-700, Visualix eHD

Digital X-ray, Phosphor Systems

Integrated:

Air Techniques: ScanX (ILE, Classic, Intraoral, Duo), EPP ScanX (SEE NOTE), ScanX Swift

Soredex: OpTime

Gendex: Denoptix (Combo\Ceph-32bit ONLY), Denoptix QST, GXPS-500(TWAIN ONLY!)

NOTE: ScanX EPP Requires an Onboard Parallel Port. Add on parallel cards will not work.

Digital Pan and Pan/Ceph

Integrated:

Schick: CDR PanElite, CDR Retrofit (iPan\iPanHS,PCI-XP ONLY), CDR PanX\PanX-C (iPan\iPanHS,PCI-XP ONLY)

Planmeca: ProMax, Proline XC, ProOne

Sirona: Orthophos 3DS, Orthophos Plus DS, Orthophos XG Plus, XG3, XG5, XG3D (2D Mode Only)

Instrumentarium: OP100D\OC100D, OP30

Sorodex: Novus

Progeny: Vantage Pan\Ceph (v1.0 or v2.0)

Gendex: GXDP-700(2D MODE), GXDP-300, 8500/9200 DDE

Not Integrated:

Sirona: Galileos, XG3D (3D Mode), GXDP-700(3D Mode)

Intraoral Cameras

Integrated:

Schick: USBCam4, USBCam2 (discontinued), USBCam1 (32bit support only)

Air Techniques: Polaris1 & 2, Acclaim USB Only, Acclaim w/ Control Module

Digital Doc: Iris, Icon Black Dot, Icon Red Dot (32bit only), eVolution

Sopro: Care, Life, 717\717 First, 617, 595

Gendex: GXC-300 (button function requires TWAIN, Button does not work with ES Camera Service)

S-Video or Composite Integrated:

*Note: Any I/O Camera that outputs S-Video or Composite should allow image acquisition into Eaglesoft or Patterson Imaging via the Startech S-Video\Composite to USB converter (SVID2USB23). Compatibility with specific capture devices can vary device to device.

***Patterson does not have the ability to test every S-Video or Composite camera on the market.**

Not Integrated: Air Techniques Spectra1 & 2 (TWAIN ONLY), Gendex Acucam (Windows 7, Firewire, TWAIN ONLY),

Practice Management and Standalone Imaging Software

Directly supported by PTC:

Patterson: Eaglesoft; Patterson Imaging

DentSply Sirona: Sirona Sidexis 4; Schick CDR Dicom for Windows

Planmeca: Romexis (Limited Support)

***The Patterson Technology Digital support team only provides support for the above listed programs. Any program not listed would require technical support from the manufacturer of that software.**

Patterson Technology Center
